

The NTCP workers led by Karl Badalian and the members of Bible Baptist Church in Montalba, TX, made good progress on the new building over the past two months. The Crouches, the Murphys, and the Finleys were all here during this time. We finished with the metal siding and roof early in January managing to get the building dried in. This allowed us to get the electrical and plumbing roughed in. The building then got the sprayed in insulation. Getting the insulation done allowed us to complete the sheetrock work. We also were able to get the texturing and painting done.

NTCP acquired a truck and trailer giving us the ability to transport donated materials to building projects. We delivered 2600 square ft of ceramic tile as well as all the lighting for this project. Preach Evangelistic Ministries donated the tile and Pastor Brad Jenkins provided the lighting. Bible Baptist will be able to start meeting in their new building on the first Sunday of May with a building dedication service in the very near future.

We also made two loans during this quarter, one to Bible Baptist for \$100,000 and a short-term loan of \$100,000 to Riverside Baptist in Hutchison, KS. It is a joy to see many churches growing and reaching their community.

Pray for Allen Creek Baptist Church in Marysville, WA. They are starting a building program this summer and their Pastor Monte Roe suddenly passed away. NTCP is still committed to helping as we can but the church needs true guidance from the Holy Spirit.

We have four active church plants currently and have a family candidating at the time of this writing. It is truly an exciting time for this young church in Russellville, AR.

Thank you, Pastor and all your church family, for your faithful support. I hear so often about the condition of our country and the pressing need for more churches and I know that it is true. But the ultimate reason to not only stand fast on truth but to move forward in reaching the lost as God said to.

Paul put it this way: 1 Corinthians 15:58 Therefore, my beloved brethren, be ye stedfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord.

Serving together
Pastor Randall Moody
