

Psalm 100:4

Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him and bless his name.

What a great time of the year with so many harvest festivals taking place around our country. We rejoice in the reward of time spent preparing, planting and watering our labors in prayer.

You are a vital part of the work being performed on a daily basis to assist struggling churches. Let us not grow weary in well doing.

The work continues with our crews now located in the Midwest finishing this week in Clarksville, AR. Then moving for work in Oklahoma, and Kansas before weather forces us to the south for the winter.

As far as the loan fund, we have been able to secure two buildings for churches this year. Riverside Baptist Church, Hutchinson KS, Pastor Haley moved into their building in April. They were able to buy a church building with great parking and room for growth in the future. Pilgrim Baptist in New Castle, PA, had been renting for over twenty years. With a loan from the support given to this ministry, they purchased their rented property for one fourth of what they had paid in rent to this point. That church is excited to have a building they own and can now invest in future improvements.

The vision of great servants from the past has established a ministry that has faithfully performed the work that was promised for over twenty-five years. We are a local church ministry focused on assisting churches to acquire their first building.

Because of my duties as a pastor and time required for the overall ministry, I am not able to travel and personally Thank You, but please accept these words of appreciation for your involvement in the ongoing work of New Testament Church Planting.

If you as a church support Brother Bod Perryman and have not received an update letter from him, please contact me.

I personally invite you to come to our Focus on America church planting conference October 15-17, 2019. You can register at: www.wilsoncreekbaptistchurch.com. This will be a meeting where we help meet personal needs of church planters. Wilson Creek Baptist Church hosts this meeting and will supply all meals and make your stay an enjoyable one.
