## September and October 2019

Karl and Mary  
Badalian

We started off September in Clarksville, Arkansas hanging the last of 70 sheets of sheetrock. After getting the sheetrock off the floor Dewian and I started work on the sanctuary ceiling, nailing oak shiplap boards into place while Mary did some mudding and taping on the upstairs rooms. During Wednesdays and Sundays we got to visit other churches in Cove, Jacksonville, and Russellville, Arkansas to present the NTCP ministry and look at future work opportunities.

On September 24th we traveled to Sapulpa, Oklahoma to help South Heights Baptist Church with some much needed painting.

October found us back in Missouri getting ready for our "Focus on America" home missions conference. We did some painting and power washing and got to be there as old friends started arriving for the conference. It was a wonderful time of work, fellowship, and fundraising during our conference for home missions.

The week of on September 24th following our missions conference the folks at Second Baptist Church in Festus, Missouri invited us to their missions conference and were kind in that they allowed us to present the NTCP ministry, then taking us on for support as one of their missionaries.

Please pray for us as we labor across the country and for your other missionaries.
