

New Testament Church Planting

A Ministry of Wilson Creek Baptist Church

Newsletter from Karl and Mary Badalian

1 Thessalonians 5:25 Brethren, pray for us.

November and December 2019

As I write this letter it is hard to believe that another year has passed.

Our November and December were very busy. It seems the Lord provides many opportunities to serve Him in different ways. First it was the opportunity to take part in the sign ministry with the folks in Picayune Mississippi. Next we were in Seymour Missouri helping load a shipping crate with scripture headed to Cape Verde Africa. The crate also had room for a few personal items for the Kidd family as they prepare to go to the Cape Verde mission field.

We spent a few days in Independence Kansas as Old Fashioned Baptist Church got under way with their building project. What a great congregation of believers that the Lord has gathered there.

Back home in Missouri we helped the church plant in Gainesville with sheetrock work and plumbing. Then we helped at the PREACH facility in Seymour, building some walls and hanging sheet metal in their warehouse area.

Mid December we pulled our trailer down to Picayune Mississippi then took a few days around Christmas to visit family. During our holiday travels we got to visit two supporting churches, Bannister Road Baptist church in Kansas City Missouri and Fellowship Baptist Church in Perryton Texas.

We finished off 2019 back in Picayune Mississippi working with the folks at Heritage Baptist Church.

FUTURE PLANS: Helping the folks at Heritage Baptist Church in Picayune Mississippi with their building project, and wherever else the Lord allows.
