

# New Testament Church Planting

A Ministry of Wilson Creek Baptist Church

Newsletter from Karl and Mary Badalian

1 Thessalonians 5:25 Brethren, pray for us.

## July and August 2021

I would like to say that everything went just as planned in July and August, I would like to say that but can't. I have often found that the Lord has plans for us that we don't know anything about. Our plans were to be headed to Glenrock Wyoming in July but those plans got postponed because of construction delays. This allowed us to be able to stay around our home church and do some much needed repairs on our travel trailer. We replaced two of the floors on our slide outs, one underneath our kitchen table and the other one in our living room area. We love our trailer and our hope is this will make it last a couple more years. Our truck also needed repairs, a cracked fuel filter housing and a leaking power steering pump were both fixed.

While we were at our home church I was able to help with a couple of projects. I got to help our pastor as he dug a trench to bury a new electric service. We also went down to Seymour Missouri for a day to help remove concrete so the plumbing could be installed in the PREACH facility.

One of the blessings about being home is we were able to have the time to help some good friends of ours, the Millers, move Trish's mother, Diana, and her belongings from California to Missouri.

Mary and I were both able to get caught up on needed doctor visits. Please continue to pray for the Lord to sustain our health and those that travel with us.

**Our plans:** We think painting in Glenrock Wyoming is still a possibility as we look for a southern winter project.
